

You're already in the building. We're the layer above it.

Add an aerial thermal layer to the engagements you already run. Your client relationship stays yours — and because we perform no remediation, every finding in the report is scope for your firm, not ours.

WHO REFERS US

MEP & commissioning · Roofing consultants · Insurance loss control · Commercial property brokers · Facility management · Property-condition & diligence

HOW IT WORKS

01 You refer the site

A name and a contact — or bring us in as a subconsultant under your own engagement.

02 We fly and analyze

Mission, AI analysis, severity-ranked findings on a 48-hour target. The mutual NDA covers everyone.

03 You deliver the value

Findings feed your deliverable — your scope grows, your client relationship stays exactly yours.

THE TERMS

- + No tiers, no quotas, no fee to participate.
- + Referral terms agreed in writing, per engagement — talk to the founder.
- + Delivered as a named subconsultant under your engagement, or direct to the client with you credited.
- + We never hide a fee in the client's price.
